

RCT Fees

Anterior	\$1500
Premolar	\$1800
Molar	\$2400
Core1	\$295
Composite overlay - posterior tooth2	\$850
Retreatment	
• Anterior or premolar	\$295
• Molar	\$595
• Post removal	\$295
Treatment of resorption defect	\$500
Fibre post	\$300
Cast post and core	\$850
Internal bleaching	
• RCT done elsewhere	\$900 + core fee
• RCT done at DB	\$600

1 Core fee to be waived if tooth has recently been restored at DB with crown, veneer or restoration and there is no secondary caries

2 Interim option to restore the tooth and provide cusp coverage if the patient is not financially ready for a crown. No need to invoice for the core with this option.

Extraction Fees

Wisdom teeth	\$575
Any other tooth	\$390

Surgical Fees

Implants	
• Implant and Crown	\$5500
• Crown on implant only (implant placed elsewhere)	\$3500
• Anterior immediate implant (Includes- extraction, implant, surgical guide, socket graft and or socket shield, provisional tooth direct to fixture or essix, final crown)	\$8000
Temporary tooth	
• Essix or partial denture	\$450
• Screw-retained tooth (direct to fixture)	\$900
Surgical guide	\$595
CBCT	\$390

Surgical Fees

Socket grafting (not including extraction fee)

- Anterior \$1200
- Posterior \$1500

Bone grafting

- Small graft (single tooth) \$2500
- Large graft (multiple adjacent teeth) \$3500
- Complex graft (vertical and horizontal deficiency) \$4500

Tissue grafting

- Around teeth or existing implants that have been restored \$2500 for the first tooth then \$1000 per tooth there after
- Around new implants prior to final crown \$1500
- Sinus lift - Internal lift \$1500 + \$1000 for each additional implant on the same side and same day
- Sinus lift - lateral window (single tooth) \$2500
- Sinus lift - lateral window (multiple teeth on the same side) \$3500
- Osseous crown lengthening \$500 per tooth + \$1000 for records (scans, wax-up, CBCT, surgical guide)
